

NT JUNIOR FURY 2018

**PLAYER AND OFFICIAL
APPLICATION FORMS &
INFORMATION PACKET**

The Details

COST

You are required to make a deposit of **\$100.00** for your application into the NT Junior Fury 2018. We expect the total cost to be approximately **\$2000.00**. We hope that this will be above and beyond the costs required and that all members from the squad contribute to lowering costs. This may be from funding, grants, fundraisers and sponsorships. But at this stage, each player is responsible for the total cost. This will be to cover accommodation, entry fees, travel, incidentals, food, uniform hire, ground transport and registration.

FUNDRAISING

As this is a cost share arrangement, we would hope that any fundraising efforts will also be pooled and used to bring everyone's costs down – as we are a team after all! We are open to all ideas, the bigger the better, for fundraising opportunities. Please note that we will recognise individual efforts. At this stage we are looking at:

- BBQ at Bunnings, Officeworks, Harvey Norman, local competitions
- Raffles
- Dunk Tank at the local markets
- Supporters Merchandise

Sponsorships are currently an untapped area. We are more than happy for individual sponsors, but where possible we would prefer team sponsors. We will be working hard on our end to gain sponsors also. If you would like a copy of our sponsorship letter, please ask! Likewise, if you'd like to extend certificates of appreciation we would be more than happy to provide them for you. Try your locally owned stores and local politicians (politicians often will provide a small amount).

UNIFORMS

- Playing uniforms (shirt and shorts) will be hired to each player for the tournament. They will be distributed beforehand where possible, but collected before we leave Adelaide. Players will not be able to keep these.
- Each player will be provided with an official Softball NT polo shirt to wear on the plane and during the final dinner. This will be for the player to keep. The polo is to be matched with blue jeans (no rips) and flat shoes – no thongs please.
- Each player will be provided with a Softball NT jacket for the tournament. This will be optional to purchase or hire.
- Each player will receive a hat and a pair of socks as a part of the uniform. These will be yours to keep, and if you would like additional it will be added to you invoice.
- All undergarments are to be white – undershirt, sliders etc.

TRAVEL

Travel details are currently all approximates until the teams have been confirmed. We are looking at taking players from across the Territory. To ensure that the teams are able to train together with their coaches, we will be holding a 2-day team bonding camp in Darwin prior to travelling to Adelaide. On the 26th of September 2018 we will have a chartered bus leaving Alice Springs and travel to Darwin – with pick ups along the way. The camp will be held at the Softball NT headquarters, with trainings at the fields during the day. On Friday 28th September, as the two complete teams we will fly to Adelaide for competition to begin on Saturday 29th September.

Whilst in Adelaide, we will be staying together, for cost saving methods there may be 4-5 people per cabin, the room configurations will be made by Softball NT. If you feel strongly about not rooming with a particular person, please let us know.

On Tuesday 2nd October players will be departing Adelaide directly home.

I understand that I will be responsible for paying for any changes to my agreed travel arrangements.

I understand that if I do not make full payment of my levy prior to departure, it will be at the full discretion of the Softball NT Board if I am still able to travel and compete with the team. I will still, however, be required and responsible for paying any balance owed by me even if I do not travel.

I understand that if I do not pay my levy, I will be deemed as un-financial with Softball NT and I will be unable to play or take part in any scheduled game for any Association, Affiliate or club within any state/territory of Australia until such time as this debt is paid.

- Training is likely to consist of one to two sessions a week, and may also include additional individual or team training/events.
